Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction for the above-identified patent under the provisions of Rules 1.322 and 1.323.

Inspection of the file of the application for the patent reveals that specific errors requested to be requested on PTO/SB/44 form are not to be entered based on decision from the examiner of the case. The error to insert OTHER PUBLICATION reference for Chinese patent will not be approved. There is a lack of information for the filing date "May 23, 2002" of the Chinese patent, 02120414.4.

In view of the foregoing, your request for certificate of correction is hereby denied.

A certificate of correction will be issued to correct the remaining errors in your request.

Further correspondence concerning this matter should be filed and directed to Decisions and Certificates of Correction Branch.
